Re: *Anna Pezhman Esq. v. American Arbitration Association and Bloomingdales, Inc.*  
Docket No. 25-CV-3946 (RA)

Dear Judge Abrams:

I represent defendant American Arbitration Association (“AAA”) in the above-styled case. On June 4, 2025, on behalf of AAA, I filed via ECF a motion, pursuant to Rules 12(b)(1) and (6), to dismiss plaintiff Anna Pezhman’s complaint. *See* ECF Docs. 8-9.

I have now learned that Ms. Pezhman, *pro se*, is not registered as a user of ECF. I therefore spoke to Ms. Pezhman earlier today and am sending her, today, electronic copies of AAA’s motion papers by email and serving hard copies by U.S.P.S. Express Mail. I further confirmed to Ms. Pezhman that I consent, and hereby respectfully request, that new deadlines be set for opposition and reply papers.

Very truly yours,
